Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

ATTN: **Decision and Certificate of Correction
Branch of the Patent Issue Division**

Sir or Madam:

   1.   Attached hereto in duplicate is Form PTO-1050 with at least one copy being suitable for printing.

   2.   The exact page and line number where the error is shown in the application file is:
         Page One, under the "INVENTOR" section

   3.   This is a Divisional of application serial number 09/501,149, which is issued patent number 6,622,036, hereby referred to as the '036 patent.

   4.   Applicants filed the original declaration from the '036 patent application in the instant application, in accordance with C.F.R. 1.63(d)(iv).

   5.   The inventorship in the '036 patent was corrected on November 11, 2003 (a copy of said filing is attached) by adding W. Hamlin Emory to the list of inventors.

   6.   The USPTO granted said correction via notice issued on February 13, 2004 (a copy of said communication is attached).

   7.   Applicants submit W. Hamlin Emory should have been included as an inventor in the instant application as well and request a certificate of correction to reflect said inventorship.

   8.   Applicants submit the error in inventorship in the instant application was inadvertent and done without deceptive intent.

   9.   Please send the Certificate to:
